

Leo Houssami

SENIOR MULTIMEDIA PRODUCER & FILMMAKER

Melbourne, Australia | English & Arabic
leohoussami@gmail.com | leonited84.github.io

PROFILE

Producer and filmmaker with experience spanning independent music videos, university films, real estate production, audio, podcasts and STEM education. Film and television graduate with MPMC motion-control training in London and camera department experience in Vancouver. Combines hands-on production craft and multimedia team leadership with experience teaching creative technology at Wyndham Tech School.

PRODUCTION CAPABILITIES

Video production and editing • Camera department experience • Music videos • Audio and video podcasts • Motion graphics (After Effects) • Adobe Creative Cloud • Captions and transcripts • Production scheduling • Digital asset management and publishing • Creative technology education • Unreal Engine game design workshops

SELECTED PRODUCTION EXPERIENCE

Senior Multimedia Producer | Victoria University

2023 - May 2025

- Led three producers and editors delivering learning, research and community films across university campuses.
- Produced and published People of VU podcast with Vice-Chancellor Adam Shoemaker, alongside multimedia learning assets.
- Delivered content for the Moondani Balluk Indigenous Academic Unit and supported university-wide production briefs.
- Developed workflows from brief and script through scheduling, production, accessible publishing and archive.

STEM Educator | Wyndham Tech School

January 2021 - March 2023

- Taught video game design in Unreal Engine, Podcasting 101, cinematography, drone flying, storytelling and filmmaking.
- Designed digital learning modules and delivered hands-on workshops aligned with curriculum goals.

Production experience & training

Camera Trainee | Camera Department, Vancouver

2019 | Vancouver, Canada

- Worked on television commercials, films and television shows, including productions for Netflix and Amazon.

Senior Media Producer | Diakrit International

2015 - 2019

- Shot and produced real estate content to tight turnaround times, maintaining consistent visual standards.
- Coordinated location logistics and trained colleagues in production workflows and standards.

Freelance Video Producer | Independent, Melbourne

2013 - 2018

- Created music videos and independent moving-image work with artists, developing practical experience across video and audio production.
