

Leo Houssami

DIGITAL PRODUCER & PROGRAMME MANAGER

Melbourne, Australia | English & Arabic

leohoussami@gmail.com | leonited84.github.io | LinkedIn

PROFILE

Digital producer and programme manager with more than ten years of experience spanning media production, education, partnerships and community services. Combines creative development with practical team coordination, stakeholder collaboration and delivery. Experienced in university content production, inclusive STEM facilitation and automated partnership workflows.

CORE CAPABILITIES

Video production and post-production • Podcasts and accessible learning content • Stakeholder engagement • Programme delivery and facilitation • Team coordination and mentoring • Partnership operations • HubSpot and n8n automation • Compliance and reporting

EXPERIENCE

Partnerships Specialist | Easygo

June 2025 - February 2026

- Coordinated commercial partnerships across legal, marketing and operational stakeholders, supporting contract and compliance reporting.
- Built automated workflows for partner onboarding, lead acquisition and performance reporting using HubSpot, n8n and AI tools.

Senior Multimedia Producer | Victoria University

January 2023 - May 2025

- Led a team of three producers/editors delivering multimedia learning, research and community content across university campuses.
- Produced the weekly People of VU podcast with Vice-Chancellor Adam Shoemaker and delivered content for the Moondani Balluk Indigenous Academic Unit.
- Implemented captions, transcripts, graphics and publishing workflows to make content accessible and ready for distribution.

Experience & selected work

STEM Facilitator | Wyndham Tech School

February 2021 - December 2022

- Designed and delivered immersive programmes in VR, robotics, game design and drones for students in western Melbourne.
- Supported diverse learning needs, including the FLIP specialist cohort, through inclusive, hands-on activities and mentoring.
- Contributed to Department of Education and federal funding submissions for capital equipment across programme cycles.

Employment Consultant | atWork Australia

March 2019 - January 2021

- Supported jobseekers with assessment, individual support plans, employment coaching and referral coordination.
- Worked with Arabic-speaking clients and people facing disability, cultural and other complex employment barriers.

Senior Media Producer | Diakrit International

2015 - 2019

- Produced real estate media to tight turnaround times, coordinated location logistics and trained colleagues in production standards.
